Immediate Release

February 1, 2010

AFCEA West 2010 Booth 803

DVEO to Feature Rugged, Super-Compact, HD H.264 Recorder with Removable Storage at AFCEA West 2010, Booth 803

VideoTank HD™ Recorder is Ideal for Military Mobile Applications

San Diego, California -- DVEO, the broadcast division of San Diego based Computer Modules, Inc. (CMI), will demonstrate their new hand-held H.264 video recorder and storage device at AFCEA (Armed Forces Communications and Electronics Association) West 2010. AFCEA West, the largest defense and technology exposition and conference on the West Coast, will be held at the San Diego Convention Center, February 2-4.

VideoTank HD™ is a rugged, high definition H.264 recorder. It uses compact Flash Cards which can be easily exchanged. VideoTank HD supports up to 32 GB cards, enabling it to record up to two hours of 1080i content in a unit that is only 3.3 x 3.3 x 1.6 inches. It features automatic standards detection, a built-in microphone, and headphone

connectors. The unit is controlled via an LCD panel and on-board push buttons.

VideoTank HD is designed for encoding, decoding, and rugged mobile applications – such as military use and remote data gathering – where small HD cameras are deployed. The system has integrated file-safe operation to help prevent corrupt files in case of errors or power loss.

“Our military and broadcast customers are very anxious to take delivery of this small but powerful recorder,” stated Laszlo Zoltan, Sales Manager for DVEO. “VideoTank HD is ideal for use in small spaces, such as aircraft and UAV’s. The system is also available in an OEM format and can be modified to meet customers’ needs.”

Other products that will be featured at AFCEA West include the Cunima HD shock-resistant miniature HD/SD Camera, the HD Spigot™ H/S HDMI to HD-SDI converter, the Megacine SSD™ portable HD field recorder, and the MVC200-DC JPEG 2000/MPEG-2 digital cinema quality decoder. DVEO will also showcase the Verio HD™ remote-control pan/tilt/zoom camera, DVEO ruggedized monitors, and RGB Spectrum multiviewers.

DVEO, HD Spigot, Verio HD, and VideoTank HD are trademarks of Computer Modules, Inc. All other trademarks and registered trademarks are the properties of their respective owners.

Suggested Retail Price:

VideoTank HD – \$9,995 U.S.
